The Shiva Purana - science through stories Sadhguru explains how the Shiva Purana includes many aspects of fundamental science in his text and participates © a powerful tool for transcending the limitations. Question: Sadhguru, put great importance on Shiva. © Why do not you talk so much of other masters, as Zen masters, for example? Sadhguru: This vast emptiness that we refer to as Shiva is a non-entity boundless Ā ē ~ "eternal and forever. © But since human perception is limited to the shape, we have created many wonderful shapes to Shiva in the tradition and culture . the Ishwara enigmatic and not perceptible; the Shambho auspicious; disarmilmente NAA © I Bhola; Dakshinimurthy, the great master and teacher of the Vedas, Shastras and Tantras; easy forgivable Ashuthosh; Bhhairava, what tainted with the blood of the Creator himself ; Achaleshwara, the top fold of the most dynamic dancers, Nataraja - as many ways as there lives, many aspects have been offered to him. Generally, in most parts of the world, all that people refer to what God is always referred to as good. But if you read through the Shiva Purana, Shiva can not identify as a good person or a bad person. it's all Ā ē ~ "it is the ugliest, is the most beautiful; It is the best and the worst; It is the most disciplined, is a drunkard. Gods, demons and all sorts of creatures in the world worship him. The so-called civilization has conveniently removed all those stories of Shiva indigestible, but it's here that is the essence of Shiva. The completely contradictory aspects of life have been built in the personality of Shiva. So complex amalgamation of all the quality of existence was put in one person because © if you could accept this be, you have gone through life itself. The whole struggle of a life is that we are always trying to choose what is beautiful and what is not, what is good and what is bad. You will not have a problem with anyone if only you will accept this man is a complex fusion of all that life can be. If you look closely the stories in the Shiva Purana, you'll see the theory of relativity, quantum mechanics Ā ē ~ "the whole modern physics - it's been very nice expressed through stories. This is a dialectic culture; science is was expressed through stories. Everything was personified. But somewhere along the way people have dropped the science and just brought the stories, and the stories were exaggerated from one generation at a point to be absolutely ridiculous . If you put the science in the stories, is a nice way to express the science, the Shiva Purana is the highest science to elevate human nature at the peak of consciousness, expressed in the form of very beautiful stories. yoga was expressed as a free science stories connected to it, but if you look deeper sense, yoga and Shiva Purana can not be separated. one is for those who love the stories, another is for those who are willing downloading King everything scientifically, but the fundamentals of both are equal. Today, scientists are conducting a lot of research on the nature of modern education. One of the things they are saying is if a child through 20 years of formal education and exits, a large percentage of the intelligence he is irrevocably destroyed. This means that he is coming out as a very experienced idiot. They're suggesting that one of the best ways of imparting education is impartarlo in the form of stories or in the form of play. It is a small effort was made in that direction, but most education around the world has remained enormously suppressive. The enormous volume of information suppresses intelligent unless it is given to you in a certain form, and the form of teaching history would be the best way. This is what is being done in this The higher dimensions of science have been transmitted in wonderful forms of history. Shiva Mahapuram. Mahapuram. One of the 18 Puranas. It was written by Rishi Ved Vyas. It consists of 24,000 Shloka's in 7 Samhitas. Describes the story of Lord Shiva. Every Samhita has a name and are the following: Vageshwari Samhita, Rudra Samhita, Shaturdra Samhita, Kotirudra Samhita, Uma Samhita, Kailash Samhita, Vayaviya Samhita. By understanding the mysteries of Shiv Mahapuram and singing his praises, a man reaches more virtues that could be achieved being charitable or with the performance of all 'yagyas". Contemplate Shivismahapuram's questions on the subject give auspicious fruit as A "Kalpa-Tarar" (a tree that meets all desires). Shiva Purana discusses the principles and practical practices for achieving success in all aspects of life on earth and other realms more accurately. It is one Perfect combination of history, principles of truths and rituals, which build the power of God in our minds and in our bodies. The knowledge of Shiva Purana has produced numerous spiritual masters who have conquered all aspects of death and reached practical perfection. Being Aware that human beings are still tend to ignore traditional ways of worshiping like Yagnas and so on, Lord Shiva prescribed that he listens to King Siva Purana and on Siva Leelas would be a good path to reach the four Ā ē ā,~ Ā ~ "Purushard Ā ē ā,~ ā" ē viz. Dharma (virtues), Artha (prosperity), Kama (fulfillment of Mondani wishes) and Moksha (salvation). Puranas opened large windows and doors to the spiritual world, destroy ignorance, illuminate knowledge views and light up on the events of the past, guide on current time and do not feel or caution on pitfalls ā ē
